MASSEY FERGUSON

MF GC1700

23 – 25 HP

The Perfect All-Rounder
Massey Ferguson GC Series Compact Tractors

The Perfect All-Rounder

Massey Ferguson’s GC Series compact tractors are the perfect all-round machines for tackling your everyday jobs. Whether you’re a farmer, small landowner or commercial enterprise, the MF GC1700 Series is designed and engineered to help you get a wide variety of jobs done right. With engines ranging up to 25 horsepower and unmatched versatility, the MF GC1700 Series can handle everything from mowing, loading, general farm work and more.

These easy-to-drive workhorses deliver straightforward, intuitive performance in a compact-sized machine. So if your workload demands a real tractor, check out the MF GC1700 Series. It delivers on every job, every time.
Unquestionably Massey Ferguson
Taking its cue from its larger siblings, the stylish ergonomic design ensures the MF GC1700 Series looks and performs like any other model in the Massey Ferguson range.

Modern design
The MF GC1700 Series has been redesigned to offer maximum comfort, including:
- 12V socket
- Cup holder
- Covered storage area (GC1725M only)

Excellent forward visibility
Whether you’re mowing, loading, landscaping or simply carting, the MF GC1700 Series ensures you have full visibility of where you need to go.

Visual controls
For ease of use, operator convenience and to simply take the guess work out, each lever has been colour coded to ensure you know which to pull and when to pull it.

Dashing design & tilt steering
The MF GC1700 Series is for everyone. A tiltable, deep dish steering wheel and digital dash ensures the perfect position and provides easy to read visual feedback during operation – keeping you comfortable and always in control.

Comfortable joystick position
An integrated joystick, placed next to the operator for greater comfort, ensures that you have total control over your operation at all times throughout the day.

Modern design
- Tilt steering wheel
- Foot brake
- Differential lock

Excellent forward visibility
- Forward/reverse
- Dual hydrostatic pedals

Visual controls
- Analog/digital dash
- Hand throttle

Dashing design & tilt steering
- Covered storage
- 12V power socket (GC1725M only)

Comfortable joystick position
- Grab handle
- Cup holder

Dashing design & tilt steering
- Foot brake
- Differential lock

Comfortable joystick position
- PTO gear levers
- Flat foot deck

Dashing design & tilt steering
- Foot brake
- Differential lock

Comfortable joystick position
- Reversible seat for backhoe (GC1725M only)

Dashing design & tilt steering
- Reversible seat for backhoe (GC1725M only)
Outstanding Performance

Performance and versatility is the key to a compact tractor and that’s exactly what you get with the MF GC1700 Series. Heavy duty axles and high lift capacity on the three point linkage allow for a wide range of attachments and implements so you can perform a wide range of tasks.

The MF GC1700 Series is easy to use and manoeuvre and is ideal for squeezing into narrow spaces and around tight contours. Clever features such as dual hydrostatic pedal control and cruise control make hard work a breeze and allow for an easier day’s work.

Largest engine in its class
- Powerful 3-cylinder liquid cooled engine
- Solid metal hood with tilt design and open/close handle for easy access to serviceable areas
- Radiator with removable mesh screen to shield radiator from debris and allow access for cleaning
- 1.123 litre engine providing high torque at lower rpm

Dual Hydrostatic Control Pedals
- Dual control pedals allow forward and reverse control with maximum comfort
- 2 range hydrostatic transmission for ultimate driving comfort and easy operation

Differential lock
- The differential lock can be easily engaged using the foot pedal. Combined with 4WD, it ensures consistent and reliable traction through tough and slippery conditions.

Cruise control
- Newly designed cruise control
- Improves driving comfort
- Can result in better fuel efficiency
Axles
- Robust front and rear axles to handle a wide range of accessories and front end loaders

Tyres
- Turf, Ag or Industrial options are available to best suit the tasks at hand
- 18x8.5-10 front tyres
- 26x12.00-12 rear tyres

Three point linkage
- A large three point linkage lift capacity of 540kg
- 3 point hitch provided as standard
Quick Attach Implements

The Perfect All-Rounder

The MF GC1700 is ready to work when you are. Whether it’s mowing, pulling, shifting or lifting, there’s a choice of quick and easy attachments that have been perfectly matched to ensure maximum performance and efficiency. Choose from standard or four-in-one front loaders and professional quality cutting decks that mow high volumes of grass and deliver a fine cut. A fully integrated backhoe combines heavy duty construction, a cast iron bucket link and a boom float typically found in construction grade equipment.

Quick Attach Implements

- Quick attach loader available (Standard and 4 in 1)
- Quick attach backhoe available (1725M only)
- Drive over mower deck

Professional Quality Mowing Decks

- Full floating decks deliver a top-notch cut on every type of terrain
- All spindle assemblies are made of cast iron for greater durability
- 60 inch side discharge deck
- Easy drive over attachment

Easy mounting and removal

- Make full use of the three point linkage without removing the backhoe sub-frame with a four-point mounting system and quick-attach design. The self-standing backhoe can also be easily removed.

Boom float

- The boom float makes it much easier for the operator to position the bucket, create an even floor bed in the cut and provide smooth grading operation when backfilling. Achieve increased operator comfort and productivity from faster digging speeds and cycle times, while reducing overall fuel consumption.

### Implement Specifications

#### Deck Model: GC2300
- **Type**: Drive-Over Rotary Deck

#### General
- **Discharge Type**: Side
- **Number of Blades**: 3 (overlapping)
- **Speed (rpm)**: 2000
- **Blade Tip Speed (rpm)**: 18856
- **Gauge Wheels**: 4
- **Anti-Scalp rollers**: 3
- **Raise and Lower Actuation**: Via 3-Point Linkage
- **Height Control**: Manual Adjustment
- **Transport Height**: 150

#### Dimensions
- **Cutting Width (mm)**: 1524
- **Overall Width (mm)**: 1900
- **Weight (kg)**: 200
- **Overall Height (mm)**: 524

#### Capacities
- **Gearbox (cc)**: 800

### Backhoe Model CB25
- **Type**: Quick Attach
- **General**
  - **Max Digging Depth (mm)**: 1970
  - **Max Reach (mm)**: 2730
  - **Transport Height (mm)**: 1800
  - **Max Length with GC1725M & Loader (mm)**: 4490
  - **Transport Stabiliser Spread (mm)**: 1200
  - **Operating Stabiliser Spread (mm)**: 2040
  - **Loading Height (mm)**: 1680
  - **Angle of Departure**: 20°
  - **Swing Arc**: 150°
  - **Bucket Rotation**: 177°
  - **Digging Force (Bucket) (kg)**: 1126
  - **Digging Force (Dipper) (kg)**: 793

### Loader Model 2400SL
- **Type**: Quick Attach
- **General**
  - **Max Digging Depth (mm)**: 60
  - **Max Reach (mm)**: 1200
  - **Max lifting height to pin (mm)**: 1800
  - **Max dumping angle**: 45°
  - **Max dumping clearance (mm)**: 1450
  - **Max dumping reach at max height (mm)**: 460
  - **Max bucket rollback angle**: 40°
  - **Break out force @ 500mm forward (kg)**: 376
  - **Shipping Weight (kg)**: 288
  - **Digging Force (Bucket) (kg)**: 1126
  - **Digging Force (Dipper) (kg)**: 793
